

Latest update on Childminding Development Grants

“As you will be aware, budgetary constraints across all sectors has resulted in Government Departments reviewing financial commitments within their remit. In that context, and in order to supplement the Childcare Directorate’s (OMCYA) existing capital commitments, Pobal has been directed by the Childcare Directorate to recoup any unspent Childminder Development Grants monies currently with City/County Childcare Committees. As of today’s date (22nd February 2011) you are requested to cease any further processing (call for projects, approvals etc.) of CMDG”.
