

Parent & Toddler Group Initiative Grants 2011

Funded by the Irish Government
under the National Childcare Investment Programme 2006-2013

Introduction:

Roscommon County Childcare Committee under the National Childcare Investment Programme, (NCIP) in collaboration with the Health Service Executive (HSE) are delighted to announce that they are accepting applications for funding support from new and existing Parent and toddler groups in county Roscommon

This Parent and toddler initiative developed a support and information strategy, in collaboration with Roscommon County Childcare Committee, to assist the promotion and expansion of Parent and Toddler Groups in county Roscommon. The grants recognise that Parent and Toddler Groups are providing informal support to parents/carers, grandparents and childminders, as well as to young children. These groups are an important source of social contact especially for parents and families that may be new to an area.

Roscommon County Childcare Committee are working directly with the Health Service Executive by pooling funding for the administration of the Parent & Toddler Group's grants in 2011. The grant scheme for Parent & Toddler Groups will be operated on a flexible basis to respond to the local needs of the groups and, in accordance with agreed national criteria and an approved local assessment process.
