Thinking of Setting up a Parent and Toddler Group or taking over an existing group?

A Parent & Toddler Group is an informal group within the local community, which provides an opportunity for young children and their parents/carers to meet. Parent & toddler groups can be a great way of meeting other people with children the same age as yours in your area. While these were traditionally aimed at mothers/fathers, they are now aimed at childminders, grandparents, and other guardians. Some are held in local community centres or church halls while others meet in the homes of group members. If you would like further support, please do not hesitate to contact us on 094 96 22540 or info@roscommonchildcare.ie

Dates for your diary

This is a notification that National Beep Beep Day 2022 will take place on Friday, 7 October, during Irish Road Safety Week.

At a later date, you will receive an additional notification outlining when the online ordering facility will be open. This facility will detail what can be ordered. It is important that childcare providers place their orders for RSA Beep Beep Day packs without delay to have them in time for National Beep Beep Day.

As a result of Covid-19 and associated restrictions with regards to ordering and manufacturing across the world, we have very few of the high visibility vests available this year. But the good news is that we do have adequate stocks of Simon and Friends booklets and posters all of which are invaluable when practising basic road safety skills with the children. We also hope to have all high visibility stocks replenished once again for next year's campaign.

Should you have any queries or difficulties, please feel free to email education@rsa.ie.
